

AMENDMENTS TO THE DRAWINGS

Replacement Figures 1-5 should replace the original Figures 1-5, and they are attached to this response. No new matter has been added by the replacement drawings.

Figure 1 was objected to because the figure continued onto a second page without proper labeling under 37 CFR 1.84(u)(1). The replacement figures include proper labeling throughout.

Entry of the amendments is requested under 37 CFR §1.312 because they are limited to the correction of informalities.
